

Introducing the new  
WMF espresso

# Hire who you want

The perfect espresso.  
Handmade automatically.

## Introducing the new WMF espresso.

We know many great people out there but only a few welltrained baristas. With the new WMF espresso you can hire anyone to be your Barista. It's revolutionary technology that grinds and tampers automatically into the portafilter, controls the brewing ratio and temperature. That allows everyone to make consistently a perfect espresso. Handmade automatically. WMF Professional Coffee Machines.

# Introducing the new WMF espresso

## + Outstanding Look & Feel.

It looks, sounds, feels and is an exceptional beautiful portafilter machine

## + Easy Use & Clean.

Simple, self-explanatory touch-control, easy and fast cleaning

## + Constant & High Quality.

Up to 12 coffee recipes and 3 types of milk foams, intelligent grinding adjustment, electronic brewing ratio

## + German Engineered Technology.

Steam Jet for cup heating, air cooled bean hoppers, isolated components for highest energy efficiency

## + Optimized Workflow.

Automatic portafilter recognition, 2 brewing groups, ready to use for everyone

## + Handmade. Automatically.

Manual and automatic steamer, integrated grinding, also usable with external grinders

# Features & Technical Spezifikationen

# Features & Highlights
